TERMS AND CONDITIONS

Booking confirmation

Your booking is considered confirmed when all details of your function have been finalized and you have sent a copy of the last page of this function pack (booking confirmation sheet) to us via email or fax. All food orders must be in at least 7 days prior to your event where applicable; with any last minute changes being subject to availability. Final numbers are compulsory for Set Menus reservations; this confirmation must come before 48 hours of the booking, no later. If there are any last minute cancellations, the organiser must be held accountable and the meal or meals must be paid for.

Payments & Cancellations

To confirm your booking a deposit of \$200 is required and all food to be paid for, in full, 7 days before your function date. We accept all major credit cards but company or personal cheques are not accepted. Payments can be made with your permission via email or in person. You will receive a copy of the eftpos receipt and tax invoice for all payments.

All drinks can be billed to one credit card on the night or paid for individually. If you decide to use one or more credit card's they will have to be surrendered at the beginning of the function; and treated as a Bar Tab in which you will receive an account to charge these to, so you can be selective as you wish.

In the event of any cancellation where food has been purchased we can only refund if it is outside the 7 days prior to your event.

Minors

Unfortunately when holding a function on our Mezzanine Level in T-Bar minors are prohibited; this is within our licence; even if it is a function reservation. Minors are also not allowed into our Gaming Room, but can stay in our Café under parent or guardians supervision until 9pm when food is being consumed.

Unforeseen Circumstances

Management at The Stones Corner Hotel endeavour to keep your function in the reserved area; although they also have the right to change the area at short notice.

We also aim to maintain our prices; however we may have to vary any quotes given unless paid for in the event of cost price increases in any foods or services provided by the Hotel. Any extensive damage caused to our hotel or furniture, before, during or after the event from one of your guests then it becomes the organiser's financial responsibility. We are all very careful when looking after guests and their property; but unfortunately cannot take responsibility of the damage or loss of items belonging to guests before, during or after the function.

Our Expectations

All guests of any function and of any age must carry with them some form of photo ID that is accepted as approved forms of ID. In QLD those forms of ID are Drivers License/Permit, +18 Cards, Passport or Victorian Key Pass. No international driver's licence will be accepted under any circumstance. Management are required by law to uphold the Liquor Act 1992 and provide a responsible service of alcohol; this gives Management and Security the right to exclude or remove any person from a function for unruly behaviour and/or showing signs of intoxication.

Organisers and Guests are not permitted to bring food or beverages onto the premise with the exception of one cake and presents which happen to be alcohol; management will withhold the alcohol in a secure place to be picked up before midnight that night or the following day. Food or Beverages are not permitted to leave the premise at any time. We may look after your presents for you to pick up the next day but that must be decided by the management on duty at the time of your function. We encourage fancy dress but would like all guests to stick to the simple dress code of *no thongs, *no singlets, *no offensive slogans, or *soiled work clothes. Thank you for your interest in our function facilities.
